Thursday 15th August 2019
from 3pm to 6pm

- Are you a not for profit organisation (e.g. a registered charity, voluntary or community group) based in the TR12 postcode area?
- Does your group benefit people living in the same area?
- Do you need a grant to help run your activities or to support a project?
- Grants of between £500 and £5,000 are available from the Goonhilly Wind Farm Community Fund. Local community groups may also benefit from other CCF funds

Advisers from The Cornwall Community Foundation are hosting this event on behalf of REG Windpower and the Goonhilly Wind Farm Community Fund.

The next deadline for applications is the 2nd September, followed by the panel meeting on the 14th October so don't miss this opportunity to learn more about the fund and how it can help you
